

SUMMER PROJECT

Priscilla's San Diego Mission

I would like to update you on what God is doing in my life and where He is leading me in the upcoming months as well as to seek your partnership in this season. This is my first full semester being an active member in Cru (Campus Crusade for Christ) at New Mexico State University. Cru has a mission ministry called Summer Project where thousands of students go all over the world to share the love of Christ.

During the fall semester of school, God began instilling a passion in my heart to officially be a part of a Summer Project. I applied this past February and got accepted! I will have the awesome opportunity to move to Mission Beach in San Diego May 27th – August 1st for the summer with 120 other students. I will be learning the Word, growing in leadership skills and be equipped to share the gospel. We'll talk to people about Christ at work, on college campuses, on the beach, and in the community.

San Diego Summer project includes housing, ministry teams, project set up and closing, storage and meeting space, transportation, equipment, buffer, National Assessment and insurance that will cost a total of \$3,200. I will be getting a job once I arrive to San Diego to pay for my living expenses and, God willing, for some of my support as well.

I am taking the step in moving to San Diego for the summer, trusting God for all provision. I am seeking your partnership in prayer and financial support as I step into this role of ministry. If you feel led, you can donate online directly to me at give.gosummerproject.com/priscilla-perez/ and read more about what I am doing and how far I am in my goal, or you can mail a check made out to Campus Crusade for Christ (Cru) and memo - Priscilla Perez to the address below.

God is continually doing amazing things in my life. I can't wait to experience this new journey and share all that God teaches me through this. From the bottom of my heart, I thank you for your ongoing support and being by my side.

All my love,

Priscilla Perez
